Dear Mr. Loza:

I want to thank you so much for winning my case, though I seem to be a little scared to loose it. I am packing up, I yet do not know where I am going, but I know God will guide me, for I have to get out of this apartment, there's been 2 crimes here comitted and since I am here alone, it's a little scary.

God bless you and your family.

Ruth
