William A. Gallina, Esquire  
1180 Morris Park Avenue  
Bronx, New York 10461

Dear Mr. Gallina:

It is well known that doctors do not like lawyers, but this is not what this letter is about. I was asked to give expert testimony, something that I normally decline.

I had the pleasure of working with Pablo Sosa on a case.

I found him to be extremely well organized, personable, focused, and directed in his assessment of the case.

It was a pleasure from first to last, and I would be remiss if I did not let you know.

Yours sincerely,

Stanley
